Finance Committee Report

The Finance Committee reported as follows:

A special meeting was called to order at 230 PM by Sister Flora Freen, President of Rebekah Assembly of Steuben and De Kalb Counties. Secretary Berlein, of Angola was present, as well as other aids for this meeting. The meeting marked an important event in the history of the Rebekahs of these counties.

Sister Kate I. Nichols Past President of Elkhart, Ind., gave a school of instructions at the afternoon session. There was a good representation from St Joe, Butler, Garrett, Angola, Waterloo and Kendallville.

The next meeting of the Assembly will be held at Angola August ninth.

Sister Nichols said every member should put their heart and soul into the work and that the deep and lasting imprint was from the various officers giving their charges to the candidates.

For Illustration-- She spoke of a severe storm a year ago on one of the great lakes and where one of the boats struck the rocks-- The life boat went out to rescue the people and worked hard-- after all was over he said "I did my best" And that is what every Rebekah should do "Do your best".

A chain is as strong as its weakest link.

And so with a lodge, it is as strong as its weakest member---Every Rebekah should work diligently and ever exemplify Friendship---Love--- and Truth. And do unto others as you would wish to be done by-- We should do our best-- and we cannot get away from our deeds ---and we should be mighty careful what we do.

Sister Nichols spoke of the work of the Degree Staff as being beautiful--and also said it counted for naught and had no bearing on the candidate-- It was the charges given by the various officers that counted.
